Auditor Nick Petroni was present to discuss the 2007 Audit recommendations. He stated there weren't any issues that would give him great concern as they are just housekeeping issues and some were administrative issues that needed follow up.

Councilman Kidd felt that due to the time and money that is put into the Audit, Auditor Petroni should be present when they audit is given to Council to approve. He further felt it was important and he would be making a motion to that effect.

There wasn't any further Special Meeting business.

Hamilton moved and Haynes seconded to adjourn the Special Meeting at 6:45 p.m. All were in favor of the motion.
