

Borough of Paulsboro

1211 Delaware St
Paulsboro, NJ 08066

Dear Borough of Paulsboro Customer:

The Borough of Paulsboro is implementing a Water Meter Electronic Reading System. Additionally, the new water meters will be read automatically allowing the water department a more efficient method to collect water usage data.

Your cooperation will be needed to implement this Program. The Borough of Paulsboro has engaged LENEGAN Plumbing & Heating, LLC to manage the Water Meter Replacement Program and to perform the meter replacement work. There is no cost to you.

Access into your residence will be necessary, so appointments for the meter installations will be required. It is important that you call the telephone number listed below to set up your appointment as soon as possible. Appointments will be scheduled Monday through Friday 8 AM to 7 PM. The Borough of Paulsboro will require that all meters be replaced, it is mandatory for all water customers. If you currently have a water meter, it is expected that the replacement work will require approximately 15-20 minutes to complete. If you do not, the install will take approximately 1 hour to complete. The installers from Lenegan Plumbing and Heating, LLC will have personnel identification badges that are approved by Borough of Paulsboro. Please insure that your water meter is accessible prior to the scheduled installation date/time.

Please contact LENEGAN Plumbing & Heating, LLC upon receipt of this notice for your appointment or if you have any questions concerning the Water Meter Replacement Program. Our TOLL FREE number is:

1-(855)-892-3830
