

PARENTS ARE THE CENTER OF COMMUNITIES.

CCYC Goal-Building strong relationship with parents and community stakeholders to improve the health, education, and well-being of young children.

MISSION-The purpose of the County Council for Young Children (CCYC) is to create an environment where parents/families come together at the local level with providers and other community members as active partners to identify and discuss the needs, concerns, aspirations and successes regarding issues that affect the health, education and well-being of children from pregnancy to age 8.

Vision for County Councils

INFORM, EDUCATE, AND ADVOCATE- Educate parents with information to help reach their goals. Strengthening families through community connections. Effective partnership between government and community for long term sustainability. Effectively sharing leadership to impact change. Sustainable positive internal changes to breaking down barriers -Linking community to programs. Support from the state in marketing. Collaborating with community providers.

CCYC meeting

CCYC has Health, Education & Safety Subcommittees and they are successful during the year with information for your families. We facilitate meetings throughout designated counties and in various areas of the community. CCYC invites various guest speakers and stakeholders to speak with parents about best practices and resources. CCYC also attend SPAN meetings, Community Cafes, Health and Education Fairs, and set up tables at events.
